

Danish Taekwondo Federation (DTaF) is looking for a new National Sparring Coach

As part of the Federation's national strategy, DTaF would like to announce an opening for a new National Coach in Sparring. The National Coach's primary function will be to select and coach the Senior Division National Team, along with ensuring a positive transition from Junior to Senior levels.

The National Team should be viewed as a natural extension of the already established Danish Development Centers (DCs). Moving forward, the DCs will act as the first step towards a career on the national team. The position of National Coach should be filled by someone who has a love of the sport, and who believes that our current young athletes can be developed into the future international elite.

The right candidate will be:

- in possession of (or in the process of obtaining) an appropriate degree in Sports Sciences; as a minimum, the degree should be equivalent to the Danish Instructor Diploma (Diplomtræneruddannelse)
- experienced as a sparring coach at an international level
- passionate about developing Danish athletes to become top international talents
- able to separate club interests from national federation interests
- able to work in a structured and goal-focused way
- able to speak foreign languages; fluent English is a must
- a good communicator, able to maintain good relationships

Key Responsibilities:

- Coach and develop the national team and prepare selected competitors for international tournaments.
- Participate in international tournaments with the team
- Select competitors from the national team to represent Denmark at international tournaments
- Select the members of the national team
- Develop the selection criteria for the national team along with the Danish Committee for Talent Development
- Be a visiting coach in Development Centers and DTaF-sponsored training camps

We can offer:

- a part-time position (approx. 20 hours/week)
- a yearly salary of 150,000 DKK
- coverage of all travel expenses related to tournaments
- an opportunity to impact Danish Taekwondo sparring

Position to be filled as soon as possible.

Application deadline: January 31, 2018. Interviews will be held from Feb 1-14, 2018.
