**Article 1:**

**Fundamental Principles**

---

1 Ranking system shall be applied to all WTF-promoted and sanctioned Poomsae championships and Multi-sport Games or to the event determined by the WTF, provided that the championships are organized in compliance with WTF Competition Rules under supervision of the WTF Technical Delegate, on an individual basis in the five (5) individual divisions of Under 30, Under 40, Under 50, Under 60 and Over 60 Division that are defined in the WTF Competition Rules.

1.2. When an athlete moves up to another category his/her ranking points will be deducted in accordance with Article 6.2 of the WTF Poomsae World Ranking Bylaw.

2 WTF Poomsae Ranking is the ranking of five (5) individual divisions for male and female, respectively and shall be published in one document as follow:

<b>Male</b>	<b>Female</b>
Under 30 Division (18~30 years old)	Under 30 Division (18~30 years old)
Under 40 Division (31~40 years old)	Under 40 Division (31~40 years old)
Under 50 Division (41~50 years old)	Under 50 Division (41~50 years old)
Under 60 Division (51~60 years old)	Under 60 Division (51~60 years old)
Over 60 Division (61 years old or higher)	Over 60 Division (61 years old or higher)

2.1. When an athlete competes in WTF-Promoted and Sanctioned Poomsae Championships and Multi Sports Games, points earned by athletes are allocated to the WTF Poomsae Ranking Division in which he/she competes at the event. WTF will publish a ranking for each division. It is impossible for an athlete to be ranked in several divisions.

2.2. For all G-ranked poomsae events regardless of competition system, the method of competition must be the single elimination tournament system.

2.3. G-ranked poomsae competitions may have pair, team and freestyle divisions but these will not be covered by the World ranking. However, the WTF encourages hosts of G-ranked poomsae competitions to have these divisions on the program.

2.4 Registrations for G-ranked poomsae competitions have to be managed through the WTF GMS.

3 If two or more athletes achieved the same points in same division, it shall be considered as tied in ranking. In the case of tie-ranks at the seeding, the athlete who won the points at the higher graded events shall be considered as the higher-ranked athlete. In the case that the athletes are still tied in terms of points, the higher-ranked athlete shall be decided by random drawing.
