

## Kukkiwon Course September 2017 – Denmark

### Travel guide:

**Adress:**

Idrætshøjskolen Bosei, Evensølundvej 5, 4720 Præstø, Danmark. <http://www.bosei.dk/>

**Dear guests**

Transportation wise, travelling to Bosei from the airport could be done in several ways:

We would recommend using the following link to plan your travel in Denmark:

[https://www.rejseplanen.dk/webapp/index.html?language=en\\_EN](https://www.rejseplanen.dk/webapp/index.html?language=en_EN)

The destination will be "Præstø St. (Havnevej)" (Write Praestoe, then you will find it) - and the travel time will be 2-2½ hours. Price differs depending on when you travel, but should be around dkk 150 dkr.

If you notify us of your arrival in Præstø, we will pick you up there.

Other possibilities include taxi, which is rather expensive in Denmark.

You can see prices here <http://www.taxa.dk/priser-og-takster/> - A cab will cost around 1500+ dkr. for 1-4 ps, and 2000+ dkr for 5-8 pr. (its a appoximately 100 km ride to Præstø, which without queue would be 1 hour).

Should you arrive at odd times, or have any other inquiries, please don't hesitate about calling or writing us.

Should you arrive before the day the course starts, and stay longer than the duration of the course, please get in touch and inform us about your plans. An extra night will cost 500 dkk.

Finally, please use the facebook page, you may be able ask each other about travelling options, whether someone drives by themselves, etc.
